LEADERSHIP

Brown Entrepreneurship Program Director of Special Events

Led team which organizes club's largest, campus-wide events:

- **Startup@Brown**, a day-long conference that brings together 18 startups and over 300

Brown and RISD students through an open fair, workshops, student panel, and speakers

- **San Francisco Summer Fellowship** with visits to companies, Alumni events, and mixers

- Startup visit trips to New York, Boston and Providence

- Speaker Series focused on entrepreneurship and tech

Mosaic+ Computer Science Mentorship Program Mentor

- Meet with two mentees to provide one-on-one mentorship and support with an organization which aims to foster community for underrepresented racial minorities in the CS department

Brown International Scholarship Committee Projects team

- Provided grants, educational support, and events for select students to showcase and pursue a variety of projects with international outreach
